

On planet Suds there are
TWO kinds of soaps.

Bar Soaps

Bottled Soaps

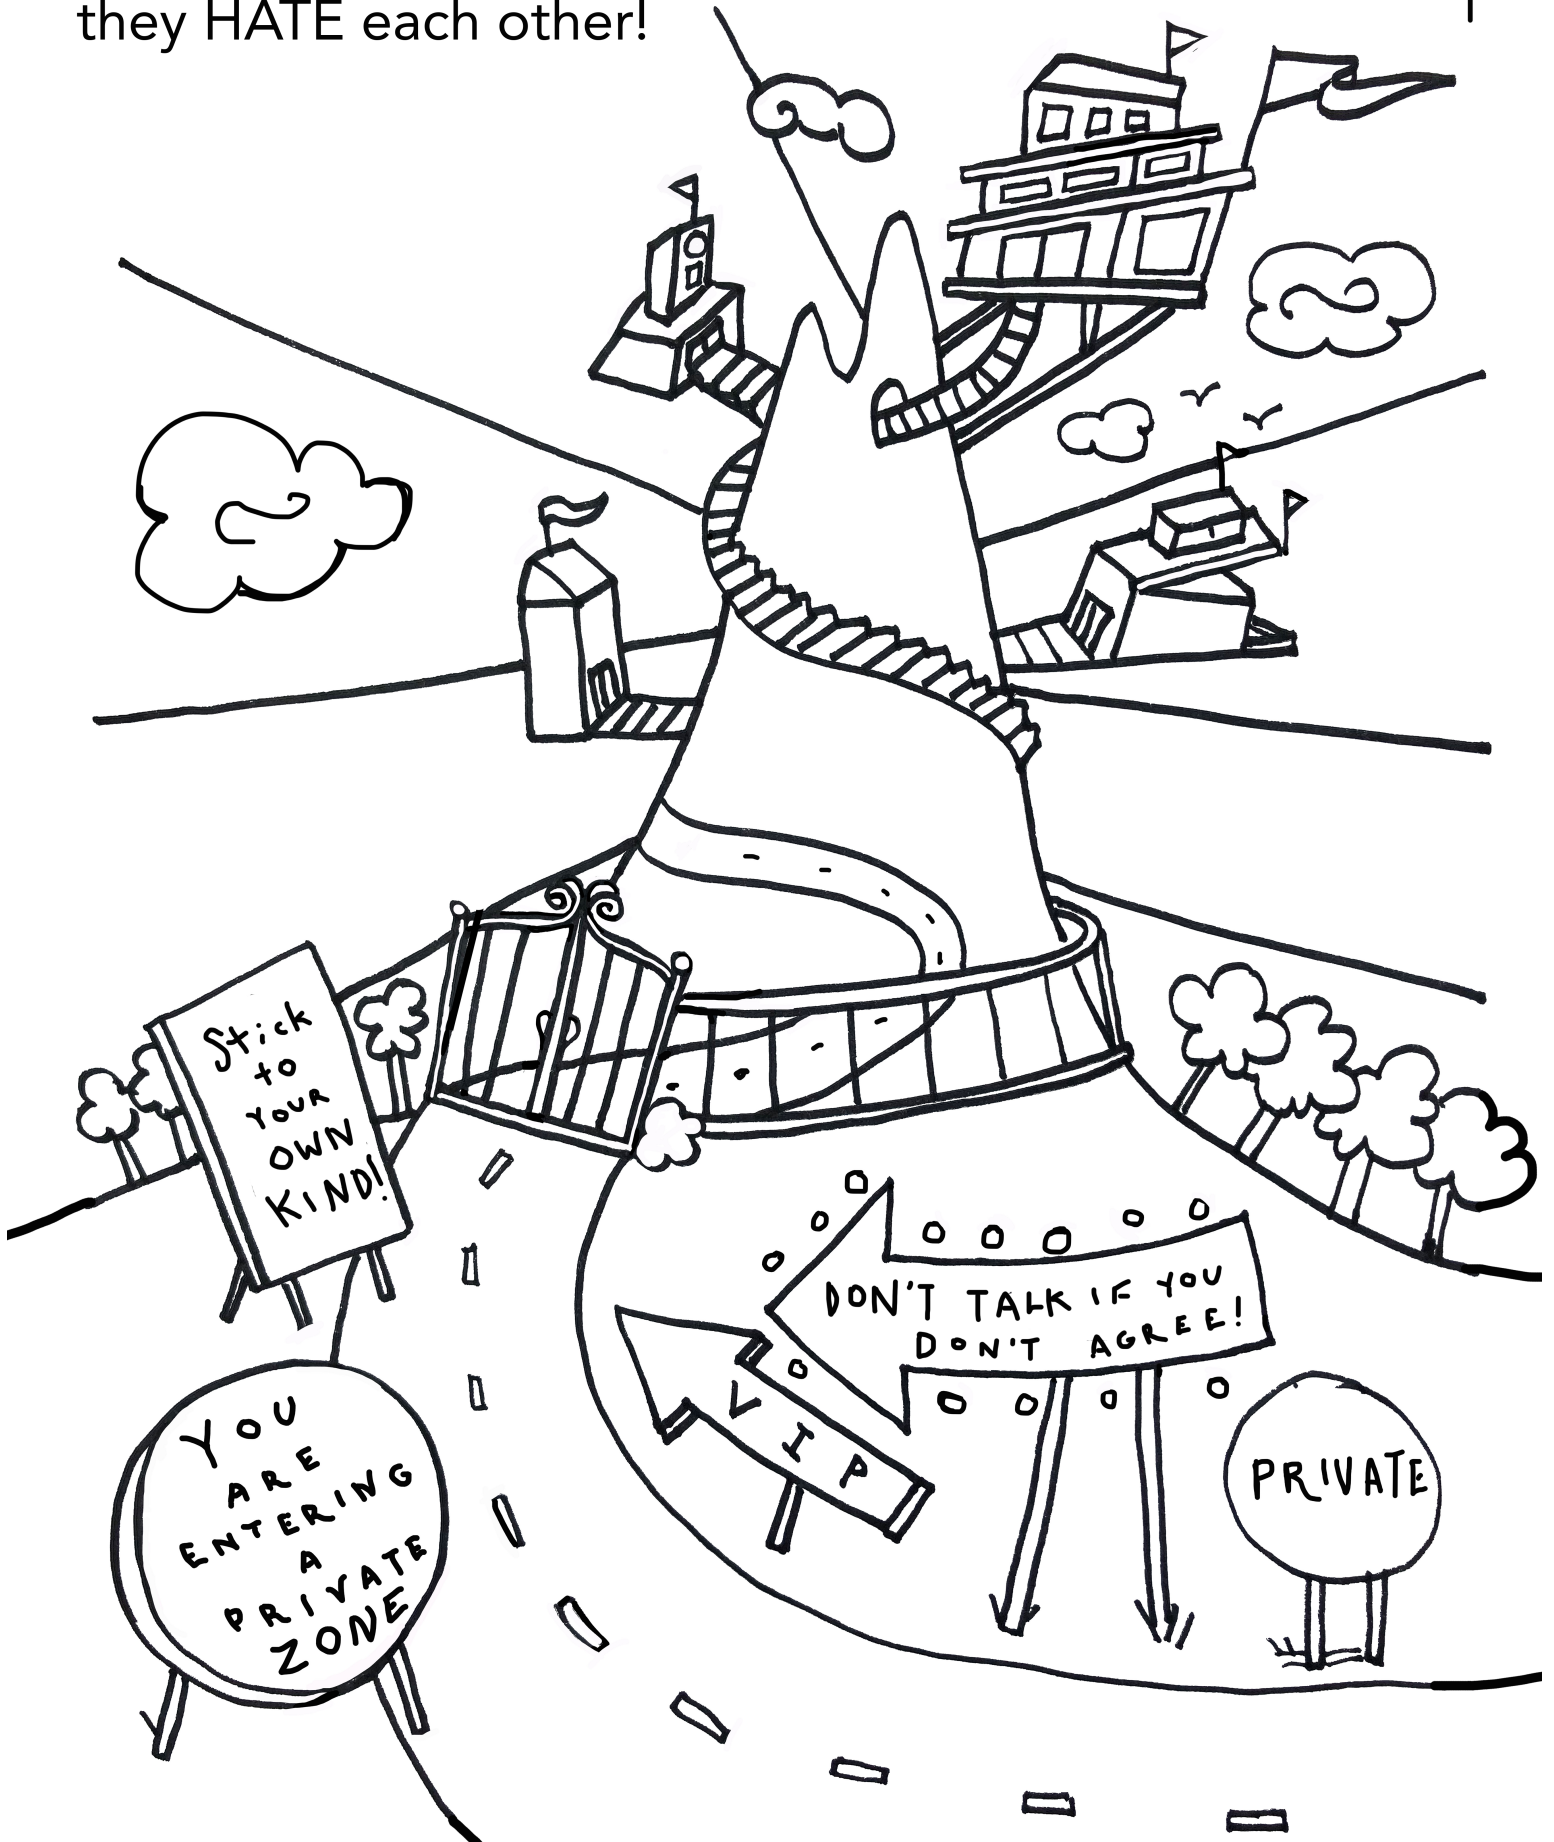

Both soaps smell good.
Both soaps are sudsy.
But...

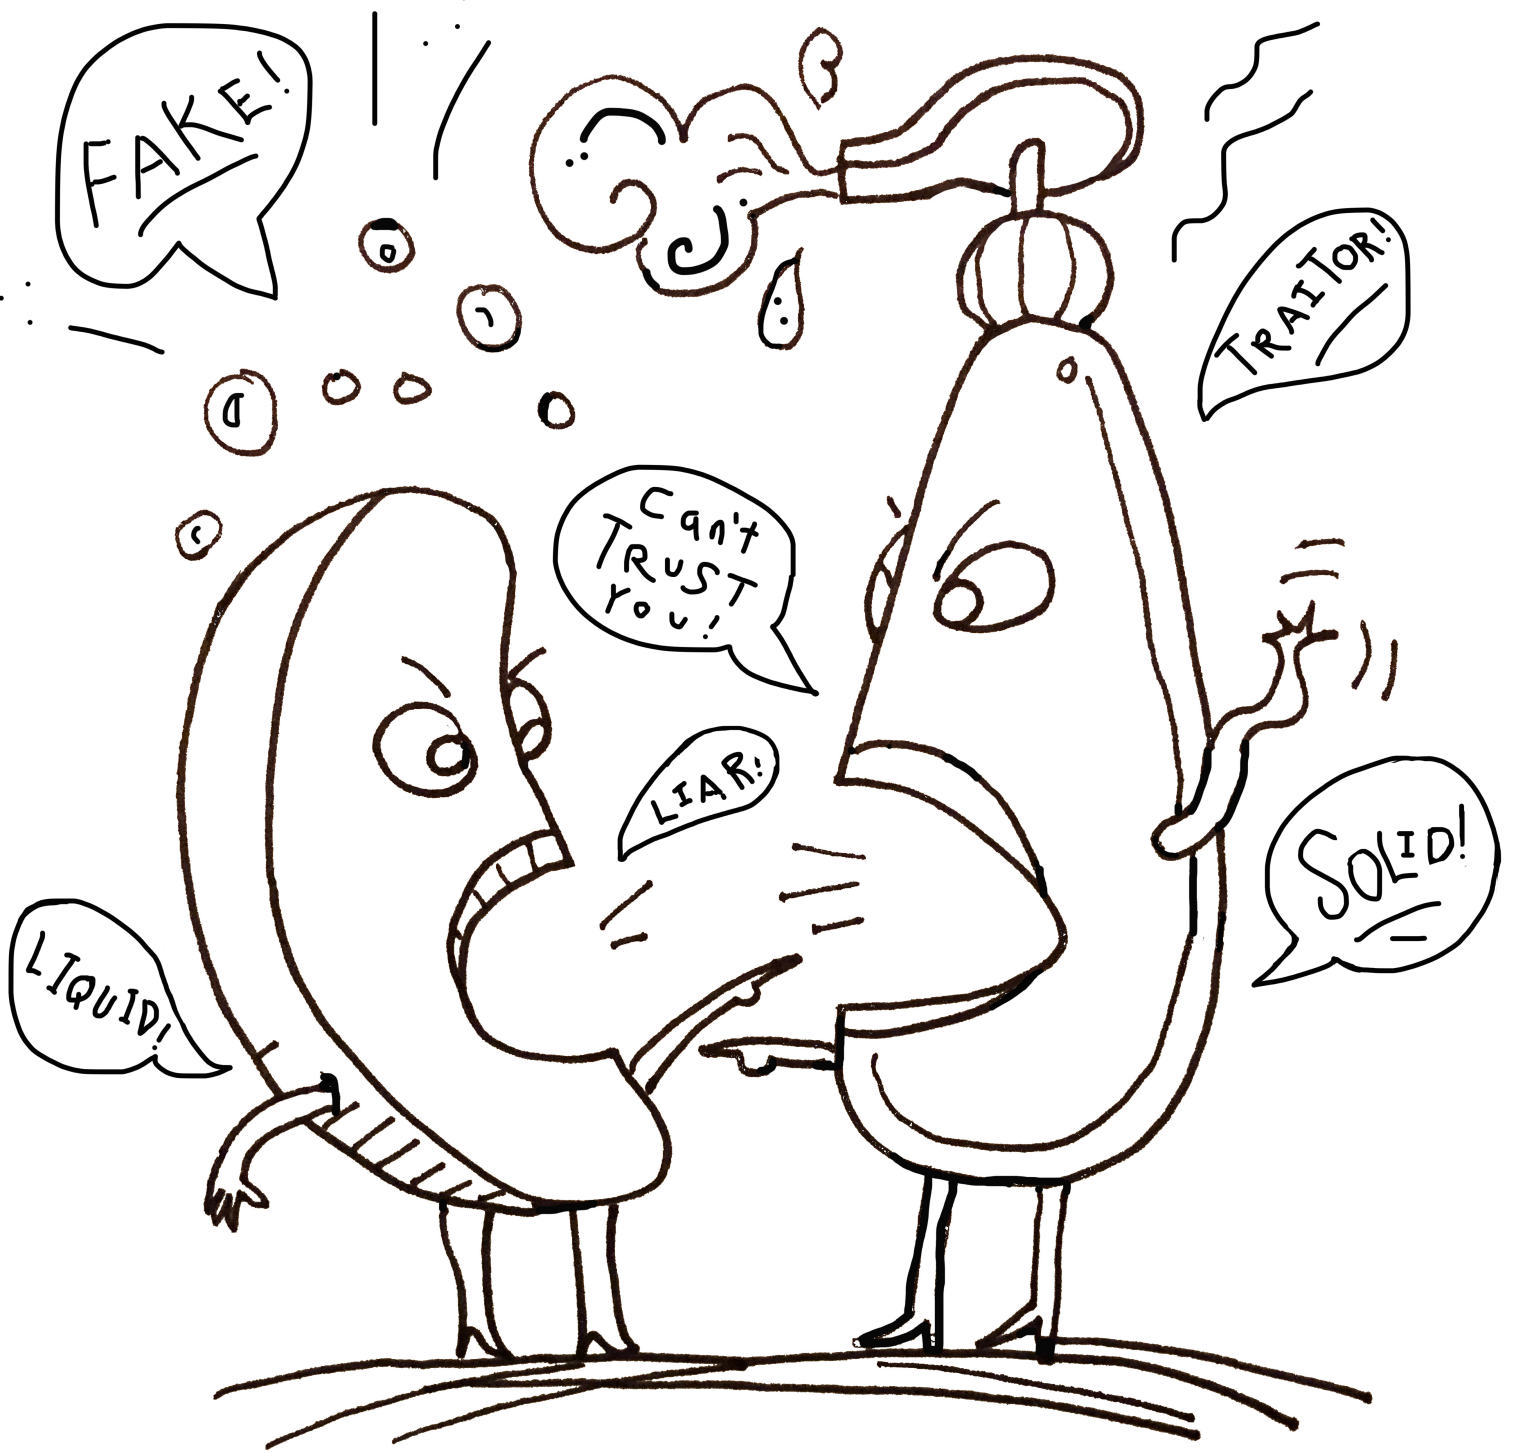

they don't see it that way.

Instead the soaps don't see many
similarities between them at all.

On Planet Suds Bottled Soap and Bar Soaps
FEEL VERY DIFFERENT from each other!

All the royal soaps and emporers live on a high mountain. They are neighbors but... they HATE each other!

The bars and bottles fight!
They can't agree on anything!
