

This is a "SILLY" e-Vroom!

Are things up-side-down inside? Do clowns live here?

What does it look like?

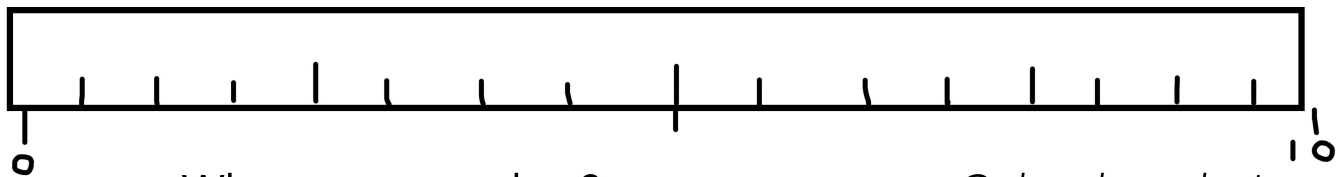

A "HOW MUCH?" page.

This page lets you measure HOW MUCH of a feeling you have right now. Print this page to color the bottles and rulers. Show what you feel.

(There are more "HOW MUCH?" pages with thermometers, tanks and dials that can be printed from the HOME page.

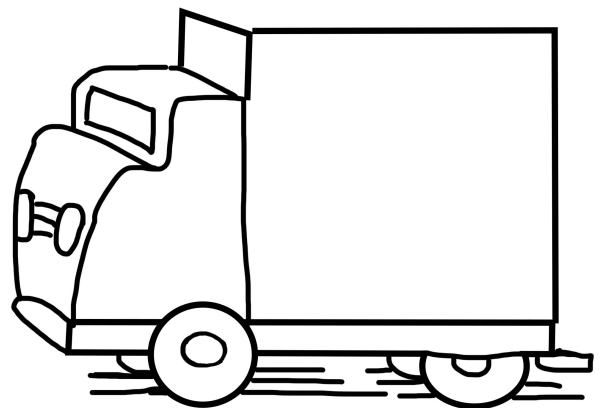

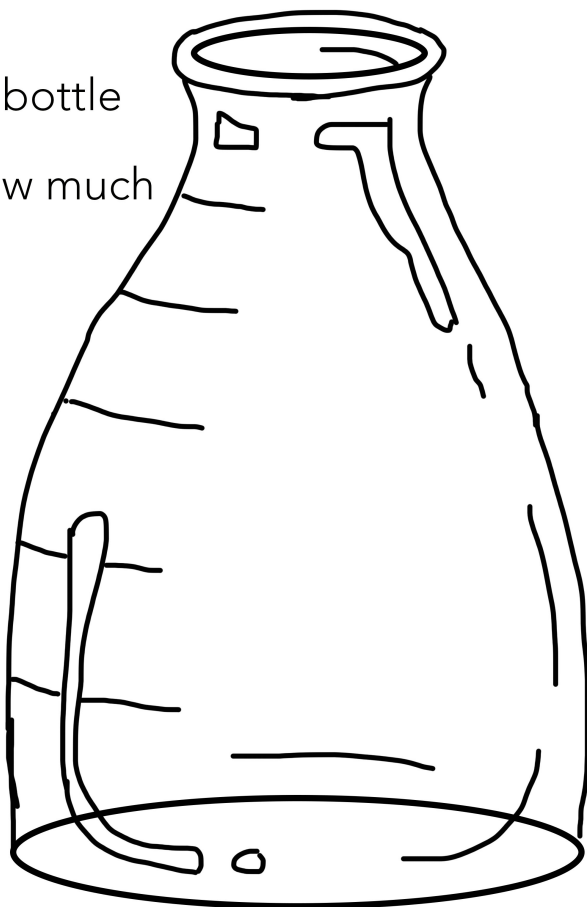

"HOW MUCH" pages are for any feeling).

On this ruler, 1= not much and 10= ALOT of feeling.

Whats your number? _____. *Color the ruler!*
