

This is Soapy !

Soapy lives on Planet Suds.
He is an emperor on his planet.
His official title is “His majesty of
most glorious Soap”.

However.. On Planet Sudds, there are **MANY** emperors!
They are **ALL** magestic and they are **ALL** royal.
In fact many of the emporors are **SO** special
and **SO** fancy that..

..sometimes Soapy gets worried.
