

This e-Vroom is for BORED feelings!
What you look like when your're bored?
What does the feeling look like? What color is it?

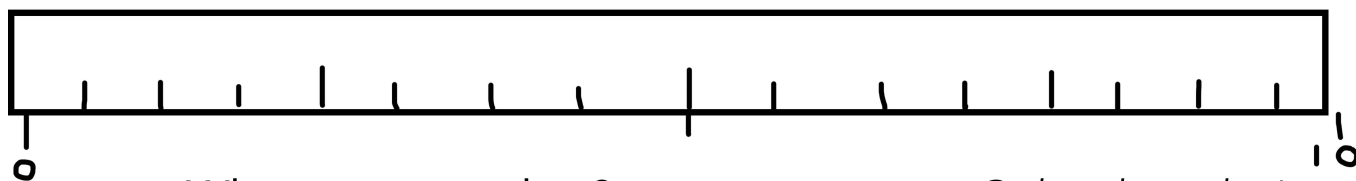

A "HOW MUCH?" page.

This page lets you measure HOW MUCH of a feeling you have right now. Print this page to color the bottles and rulers. Show what you feel.

(There are more "HOW MUCH?" pages with thermometers, tanks and dials that can be printed from the HOME page.

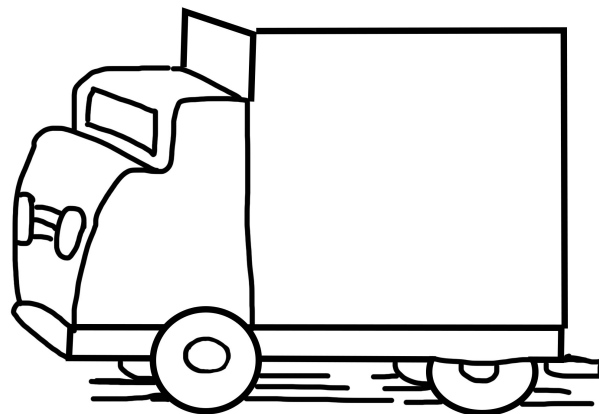

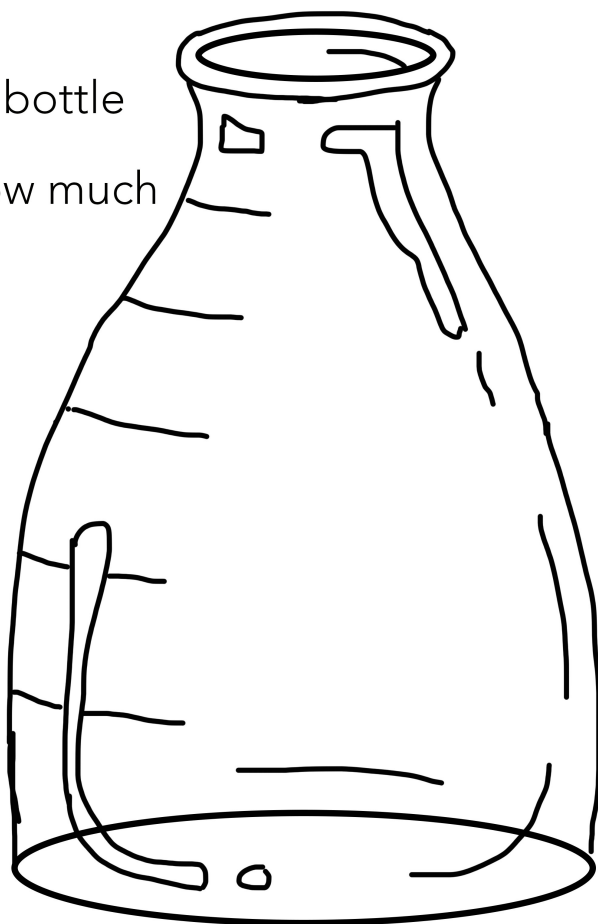

"HOW MUCH" pages are for any feeling).

On this ruler, 1= not much and 10= ALOT of feeling.

Whats your number? _____. *Color the ruler!*

Fill the bottle
with how much
feeling
you
have!

Fill the truck with your feeling
How high will the pile reach?

A Bored Story

Use your imagination and let the first sentence start a “Bored Story”

BY _____

There was a town where EVERYONE was bored. All the people and all the animals; the young, the old, the rich, the poor, NO ONE could think of ANYTHING to do!
Then one day.....

[illegible]

This is an "ANTI-BORED" e-Vroom!

Heres a place to draw something exciting!

Something that you would NOT be bored doing!

What will you draw?
